

A is for Amazon

Engage

Take a look at this picture of the Amazon Rainforest. Imagine how many animals make their homes here. Use your chromebooks/computers and find the answers to the questions below:

1. What river runs through the Amazon Rainforest?
2. How much land does the rainforest cover?
3. Why is it called a rainforest?
4. Where in the world is the Amazon rainforest?
5. How many different species of animals live in the rainforest?
6. Is the Amazon in danger?

Explore

The Amazon is an incredible place but is facing new threats every year. Follow the links below and explore what might be putting the Amazon in danger.
