Reading at school and home

At Haxby Road, we believe that reading is the key to success and underpins children's access to the curriculum; it clearly impacts on their achievement. To be able to read, children need to be taught an efficient strategy to decode words. That strategy is phonics. Phonic decoding skills must be practised until children become automatic and fluent reading is established.

Little Wandle Letters and Sounds Revised is a complete systematic synthetic phonics programme (SSP) and it is the programme we have adopted at Haxby Road Primary Academy. All the staff have received high quality training on how to teach the new phonics program.

Please see the information from our Reading Lead Mrs Eddon for more information about the program and how you can help to support your child with phonics and reading at home.

School Uniform Reminder

Please can we remind all parents and carers about our **school uniform**. We appreciate that the last 18 months have been tricky but we would now like all of our children to be in uniform.

Children can wear a red sweatshirt or cardigan with the school logo on it

A white or red polo shirt underneath and dark trousers or skirts

Sensible black shoes must be worn

If any families are experiencing difficulties with this, we can support by providing uniform for you. Please ask Mr Smart or Mrs Martin.
