Our School Vision

“Learn, Grow and Aspire Together.”

A message from Mrs Robinson

A huge well done to all of our Year 6 children this week. They have taken their SATS in their stride and shown such a positive and mature attitude. We are really proud of them all.

Attendance is continuing to improve which is a great achievement. Thank you for your ongoing support and helping the school to get even better. Please can I remind all parents and carers that holidays are not authorised in school time.

This week the children have taken part in a range of activities to promote their mental health. The focus this year is loneliness. Please check out the website below for lots of useful information and support.

Social Media

There are several different social media platforms that your child might be on or wanting to join, such as Instagram and Snapchat. Social Media platforms are used to share pictures and communicate with others. It is important to review each individual platform to see what age your child should be to access them and to set appropriate privacy settings. It is also important to talk to your child about information they should keep private.

Is your child ready for social media?

This article looks at the risks that you need to consider as well as how to get started:
