

## Adult Learning in York Week is back!

We're joining forces with other Adult Learning providers in York to celebrate all things adult learning! Join us, along with providers such as the National Railway Museum, the University of York and U3A to take part in one (or more!) of nearly 40 activities, most of which are free.

Adult Learning in York Week takes place from Monday 27th June to Sunday 3rd July 2022, including a launch event at York Explore Library during the day on Monday 27th June where you can find many of the local education providers in one place.
