

A message from Mrs Robinson

We were very lucky on Tuesday, Wednesday and Thursday to have had the perfect weather for our Sports Days. All the children had a fantastic time and the year 6 children are still talking about their 'tug of war' against the teachers! It was so lovely to see all of our families' watch their children and to meet our new families. We currently have the most children we have ever had on role and we now have waiting lists for children to attend our school. This is a great achievement.

Have a lovely weekend

Mrs Robinson

Names on Uniform

Please can we remind our families to ensure you put your child's name on their uniform. As you saw, we had large amounts of lost property outside, with no names on. We appreciate how expensive uniform is and if they have your child's name on, we can ensure we can return their clothes.

Thank you for your ongoing support

Better late
than never
**But never late
is better**

Punctuality

We would just like to remind our families about the importance of being in school on time, as we have had a number of children arriving late. It's great if children are in their line at 8.40 so they can start their learning promptly. Children who arrive late miss starting the day with their friends and the beginning of lessons. It's important to establish good routines in preparation for the rest of their lives. Punctuality is a life skill. We understand there are rare occasions when you are unavoidably late due to unforeseen circumstances. Please just ring the office and let the school know. We have lots of exciting trips and experiences booked in for this half term. We don't want our children missing out due to lateness.
