Our School Vision

“Learn, Grow and Aspire Together.”

A message from Mrs Robinson

This week all the children in school took part in our transition day. They were all really excited to meet their new teacher and visit their new classrooms. The children were able to experience their new environment and routines. I really enjoyed talking to all the children in their new class. I was incredibly proud of their attitude towards learning. Our Year 6 children moved to their secondary school for the day and they all had a fantastic time. They are now busy practising for their leaver's assembly. We can't believe they only have 10 days left in our school.

Have a lovely weekend

Mrs Robinson

We are delighted to announce that we have achieved the school games GOLD mark award 2021-2022 academic year! We are extremely proud of our pupils for their dedication to all aspects of physical education and school sport! A huge achievement for our school.

The School Games Mark is a Government led award scheme launched in 2012, facilitated by the Youth Sport Trust to reward schools for their commitment to the development of competition across their school and into the community, and we are delighted to have been recognised for our success. As part of our application, we were asked to fulfil criteria in the areas of participation, competition, workforce and clubs, and we are pleased that the hard work of everyone at our school has been rewarded this year.

A special thanks to:

Pupils, parents and staff for their commitment to school sport and PE throughout the year.

Facebook group!

If you're a Facebook user, please make sure you've joined the Friends of Haxby Road Facebook group. It's a great place to stay up to date with school events, check details, connect with other parents and even find second-hand uniform!

Haxby Road Book Club

A small group of parents meets every 4-8 weeks in an evening for food, drink and chat. We aim to read a book every month or two, and discuss it when we meet, but there's no pressure and it's all very relaxed! It's a great way of getting to know other parents and all are very welcome. Attendance

Every day in school counts and we work really hard to make sure your child catches up if they are absent. It is the time of year when coughs and colds are prevalent but we ask you to continue to send your child to school. If they are ill during the day, we will call you and offer you the opportunity to come and administer Calpol or to collect your child.

There are so many exciting learning opportunities planned for your children over the next few weeks and it's really important they don't miss out. If you need any support with attendance please remember Mr Smart and Mrs Robinson are here to support.
