A message from Mrs Robinson

Dear Families,
I have been so impressed with the children's incredible hard work throughout this half term. The teachers have found it very tricky to choose their Stars of the Week, as so many children are showing such a positive attitude towards their learning.

This week the children have explored the theme 'Let's Connect' during their PSHE lessons. They have taken part in a range of activities that have helped the children to understand how to make meaningful connections that support their mental health. In Praise Assembly the children learnt the song 'We're all in this together'. If your child would like to continue learning this at home, here is the link:

On Tuesday, the children carried out activities linked to 'Safer Internet Day'. Please talk to your child about what they have learnt and encourage them to also stay safe when they are online at home. Below is a link to a really useful website:

Today, we would like to express our thoughts and prayers to those families affected by the earthquake in Turkey and Syria. If you or your children have any concerns or you are unsure how to talk to your child about the things they may be seeing on the news please let the wellbeing team know and we will be here to support.

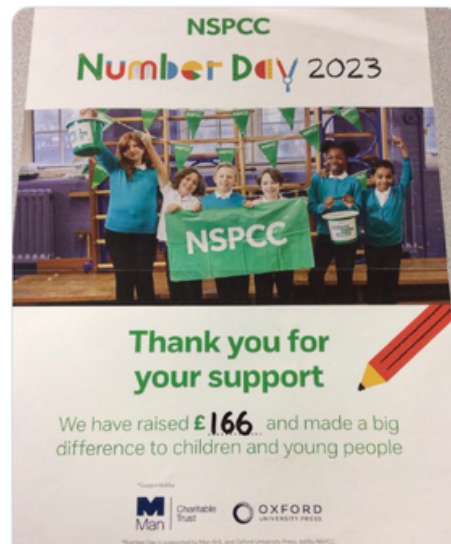

We hope this half term brings you and your family some quality time together.

Take care and stay safe

Year 6 Residential

The year 6 children have had an amazing time on their residential to Carlton Lodge. The days were filled with fun and laughter as they took part in a range of adventurous activities including raft building, canoeing and the high ropes! They made memories to last a lifetime. We are so proud of the behaviour of our Year 6 children and their positive attitudes towards the new challenges.

We are so proud of you-well done!
