A message from Mrs Robinson

Dear Families,

Yesterday the school was filled with stories, poems and fun filled activities linked to **World Book Day**. It was lovely to see everyone's costumes, books, props and talk to them about their favourite stories.

Next week we are really looking forward to our second Parent/Carer Consultation of this academic year. There is still time for you to book an appointment with your child's teacher. The meeting is an important opportunity for you to hear about your child's learning, progress and wellbeing. Please remember appointments are 10 minutes. If you need a longer meeting please arrange a separate time with the class teacher. If you wish to discuss your child's Special Education Needs further please let the teacher know and they will contact the SEN team to make a further appointment with you. Please can you arrive at the main reception for your appointment and a member of the office team will sign you in.

Have a lovely weekend Mrs Robinson

Parent/Carer Registers

We have been reviewing our parent/carers visitor procedure and going forward when we have an event in school a register will be produced.

If you attend Praise Assembly the office will contact you to invite you into school and put your name onto a register. For other events such as Inspire Mornings you will be asked to complete a google form so we know who is attending. This list will then form a register.

The registers/list will then be ticked off to ensure we know who is in school for fire and safeguarding procedures. You will also be escorted into school by a member of staff who will show you in and let you out. Thank you to those who have contributed to this review.

Community Events

North Yorkshire Police Local Neighbourhood Team

North Yorkshire Police are keen to keep communities up to date with what's happening in their community. The easiest way for them to achieve this is through **Community Messenger**. This is a free online service that enables the Police to update the community about incidents and events in their area.

Please sign up using the link below:
