

A message from Mrs Robinson

Dear Families,

Another busy week has flown by here at Haxby Road and it has been action-packed as ever! Thank you to all of our families who attended the Summer Fair. It was a fun filled afternoon and all the children had a fantastic time. In the next few weeks we will let you know how much we have raised. Watch this space!

'Moving Up Day' was a great success. The children really enjoyed meeting their teacher and visiting their new classroom. It was also lovely to welcome our new early years cohorts into school. They had fun in the areas of provision and our outside learning environment. We can't wait for you to start in September.

If you have any concerns at all regarding next year, please do contact the school office or your child's teacher. We are always happy to help and provide support. We have been busy talking to the children about change and how important it is to embrace change and be positive. However we do understand that for some children change is really difficult. It is important we work in partnership to help ensure transition goes well for all of our children.

Have a relaxing weekend
Mrs Robinson

Community News

Haxby Road Price Increases September 2023

With the continual challenges we are facing in terms of inflation and energy and to ensure a sustainable and nutritious meal is provided to the children, our school meal provider has found it necessary to agree a price increase in relation to the Primary School meal. However, as a school we are subsidising this and school will be paying a portion of this cost.

New Price £2.75

We last increased the Breakfast and After School Club prices in 2018

We are always sensitive to any costs that our families incur and we never like to increase prices however we must also balance this with the pressures of the school budget. Of course, over the last two years there has been an increase in wages, pension and food and energy costs which now need to be factored in.

**Breakfast Club will increase to £3.50 a session
After School Club to £7.00 a session.**

We believe that this is still good value for the childcare provided. I hope that you are able to continue to benefit from these clubs and can support us in this decision.

We have set up an SEND facebook page to communicate any updates relevant for our families of pupils with additional needs.

Please give us a follow and send any feedback our way.
We can't wait to share updates with you all.
