

## A message from Mrs Robinson

Dear children, families, governors and friends of HRP A

The end of another busy year has arrived and what a busy term it has been! It has been filled with trips, concerts and sporting events, including our annual sports day. Thank you to all our parent/carer volunteers, we couldn't have completed our visits and events without you.

As we end our year, staff have been reflecting together on the successes and celebrations as a school. I'd like to share and celebrate our school achievements with you. This month we received our KS2 SATs results from the new national tests. As you will undoubtedly be aware from the media, the tests were very challenging. At HRP A we are delighted with our results. We are proud of the achievements of our Year 6 children and know that we send them on to their new high schools having some wonderful, memorable learning experiences, with strong basic skills. We value many things here at Haxby Road, but not all are measurable-sporting, music, linguistics and citizenship skills are embedded in our unique curriculum and celebrated widely, as you will see from our newsletters, website and social media.

Well done to our brilliant Raving Readers who have read over 100 times at home this year! We took a little trip to Waterstones book shop to choose some new books on Thursday. It was a great way to share their love of reading and celebrate their brilliant achievement!

Our school has been selected within Ebor to an 'Inclusive Hub'. As part of our hub work, we will be working with Ebor schools to share our best practice and provide support. Our new ERP provision will open in September. We now have classes across Haxby Road and Lakeside Primary Academy.

This year, Mrs Martin started as our new Music Teacher across school and we would like to say thank you to her for encouraging our musical talents. We believe music has a very important role in the life of the pupils and school. It has the capacity to improve and enrich children's lives. Our children learn to appreciate music and have many opportunities to listen to, compose, sing and perform. This year we have started our very own orchestra. Many of our children from Key Stage 2 play musical instruments. We enjoy singing and will continue to share our voices and instruments.

Finally, I wish all of our Haxby Road families all the very best for the summer holidays and look forward to welcoming you all back, relaxed and refreshed for what promises to be an enjoyable and productive year.

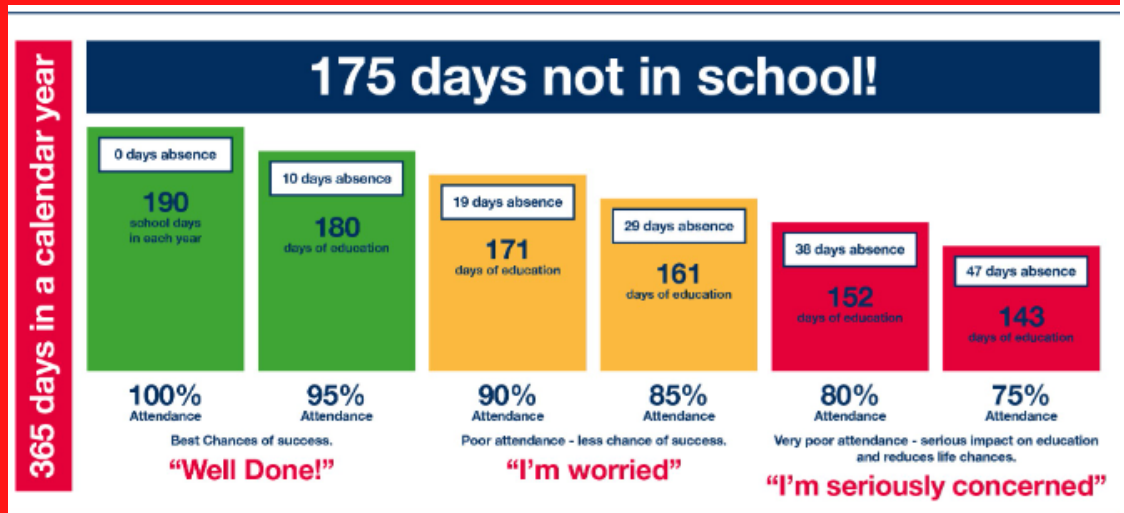

Best Wishes Mrs Robinson

## School Attendance

- Jubbergate: 93.65%
- Ousegate: 92.78%
- Fishergate: 94.84%
- Whip-Ma-Whop-Ma-Gate: 91.27%

## Goodbye & Goodluck The Next Chapter...

The time has come, to say goodbye! As much as we will miss each and every one of our children, we know they are ready to spread their wings and head off to their new schools. We are confident they will carry the skills they have learnt here, and the values we have instilled, onto this next chapter of their education. We wish them all the very best for a happy and successful future.

# Best Wishes

I would like to send our best wishes to Mrs Starr as she goes off on maternity leave to have her baby in August. Good Luck.

We would also like to wish Miss Wilkinson all the best for her summer wedding. We will welcome her back in September as Mrs Unwin.

## A special message from year 6 Our Highlights

Throughout every student's time in Year 6, they have made amazing memories together. The best highlights throughout this year have been SATs, residential, their Year 6 production, Prom, and their leavers assembly, memories together.

Everyone worked very hard when it came to SATs, and the teachers and adults are very proud of them. I'm sure the children were very proud of themselves when they saw their scores. The students also really enjoyed their residential, many of them said it was so much fun. Another thing that the students worked hard on and said was so much fun, was the Year 6 production: Into the Books. The whole school was lucky enough to be able to watch their amazing performance. Every student's family and friends were so proud.

As many teachers and adults can tell, emotions are running very high in this class currently. I don't think anyone wants their time at Haxby Road to come to an end. All the teachers at Haxby Road will really miss this class, I'm sure. Goodbye Year 6, we wish you the best of luck at secondary school!

Editor Isla Lightfoot
