A message from Mrs Robinson

Dear families,

It has been wonderful to see our children back in school looking so smart and ready for their new year group! We have had a super week across school. All the children across school have been very busy and have started learning their new topic based on our whole school theme 'Heritage'. In Early Years, it has been a delight to see how well the children have adapted to the new routine. Children in Key Stage 2 are thoroughly enjoying their new enrichment clubs and it is lovely to see how hard they are working.

This week in our assemblies we have been talking about the importance of our School Council. The school council is a central part of our school and seeking the views of our children is incredibly important to us. Our school council is made up of 18 children who represent every class including the Enhanced Resource Provision. Next week the children will be voted into their roles and we will share with you our new council members.

Hope you have a lovely weekend with your family.
Warm wishes
Mrs Robinson

Lines of Communication 2023-24

In order to ensure parental queries are addressed promptly, we would like to clarify lines of communication within school. If you have a query related to your child, in the first instance this should be communicated to your child's class teacher. This can be through Seesaw or a conversation with them after school.

The class teacher knows your child best and is the one who spends every day with them in class. If your query is not resolved, or you are concerned about the outcome, your query should then be taken to your child's Key Stage Assistant Headteacher:

Early Years and Key Stage 1: Mrs Eddon
Key Stage 2 (year group 3,4,5 and 6): Mr Hind

The next step after speaking to the assistant headteacher is to speak to Mrs Robinson (Headteacher). If our child attends the Enhanced Resource Provision please contact Mrs Battersby (Head of ERP) for any concerns.

We understand that there are instances where parents may wish to speak to other members of staff regarding other areas of school . Please contact the School Office who will be able to put you into contact with the staff listed below
Safeguarding and Attendance – Mrs Robinson
Behaviour- Mr Hind
Mental Health and Wellbeing- Mr Smart
SEND- Mrs Tasker

Thank you for your continued support. We really appreciate it.
