

A message from Mrs Robinson

Dear Families,

This week we celebrated World Mental Health Day. The theme for 2023, set by the World Foundation of Mental Health, is 'Mental Health is a universal human right.'

World Mental Health Day is about raising awareness of mental health and driving positive change for everyone's mental health. Mr Smart's focus this academic year in school is to develop our mental health curriculum and work closely with children who need extra support on a 1:1 basis. Teaching our children how we need to look after our mental health and how important it is to get help if we are struggling, is a key priority. Every Friday, Mr Smart has time to talk to our families who may need extra support regarding mental health. If you would like an appointment with Mr Smart to discuss any concerns, please ring the office.

Wishing you all a lovely weekend

Mrs Robinson
