

### **Flex Dance @ Haxby Road Primary Academy This January!**

Flex Dance Inc are an educational dance company offering exciting creative dance classes for children of all abilities. We are running a weekly class of musical theatre and street dance here at Haxby Road Primary Academy! This is on a Wednesday evening class 5-6:30pm at £7 per week and is open to children 4-11 years. To book your child's **FREE** trial place text Steph on; **07500618613**. Please note children do not have to attend Haxby Road Primary to attend these classes. We offer students classes that build confidence whilst providing performance opportunities twice a year in a professional theatre setting. During the 90 minutes of tuition the children will receive both musical theatre and street dance training! We provide performances at local theatres which help to build confidence and celebrate our students achievements.

Our classes are very popular and get fully booked very quickly! To enrol your child text your child's name, age and which venue you want to book to Steph on 07500618613. As our classes are very popular places will be given on a first come first served basis, we will then start a waiting list. You will receive confirmation if your child has a place.

*'Flex Dance Inc have outstanding practitioners, very flexible, inspirational, reliable and have many varied dance styles to offer. All age and ability groups who have worked with them love the sessions, receive high aerobic exercise, learn new skills and increase their self confidence in dance.'* Jane Langley Head Teacher Alwoodley primary

"I get so emotional watching Tilly, she has anxiety and has had issues since nursery but watching her dance and the confidence change is amazing. Flex treats each dancer as though they are the best. They aren't judged at all, all I can say is thank you!" (Tilly mum Rokeby class)

"Another awesome show tonight, number 16 for Naomi, each one so special. Such a privilege to watch each child from the tiniest to the oldest, and see the care and investment put into them by your team, building confidence and friendships too, So glad to be a part of Flex Dance!" (Naomi mum Dyca Class)

We look forward to welcoming your child to our class at Haxby Road and look forward to hearing from you. If you have any questions about the class please contact us on 07500618613
