

Hello,

New Earswick Swimming Pool is a volunteer-run charity pool.

On Sunday's we are running autism-friendly public swimming sessions at the pool.

The sessions are run in association with York Inspirational Kids and are aimed at families with children on the autistic spectrum who may find it overwhelming to visit busy, commercial leisure centres.

The sessions are 12.00-12.45 and 12.45-13.30. There is free entry for children, whilst the cost is £4.50 for adult carers or £3.50 for senior citizen carers.

To make it an enjoyable swim, we limit numbers to a maximum of 20 in the pool so places must be booked and paid for in advance [www.bookwhen.com/newearswickpool](http://www.bookwhen.com/newearswickpool)

Thanks you

Mike Peters  
Trustee
