

## A message from Mrs Battersby

Dear Families,

This week, year 1 have been very busy with their phonics challenges and our year 4 pupils have been putting their times tables skills to the test! I am so impressed with the self belief that each and every person has shown! You have made your teachers very proud!

Lots of classes are also getting excited for school trips! Please can parents ensure all forms are filled in and payments are made for these! Many thanks!

Have a lovely weekend,  
Mrs Battersby

Due to rising costs we are having to make increases to some of our services. This will affect the After School Club, and the cost of a school lunch.

We are always sensitive to any costs that our families incur and we never like to increase prices, however, we must also balance this with the pressures of the school budget and the increase in staffing, food and energy costs which need to be factored in.

These increases will take place from September 2024.

The cost of the After School Club will increase to £8.25 per session for Monday to Thursday, and to £11.25 for a Friday.

We believe that this is still good value for the childcare provided. I hope that you are able to continue to benefit from the club and can support us in this decision.

The school meal price will increase slightly, to £2.80 per meal.
