

Message from Mrs Robinson ...

Dear Parents and Carers,

It was an absolute pleasure to see so many of you in school this week! We truly value your support and appreciate all the positive comments and feedback you shared. Your engagement makes a real difference to our school community.

We also want to extend a sincere thank you to all the parents and carers who attended our attendance meetings. As you know, this is part of a government initiative aimed at raising attendance, and we are committed to working in partnership with you to support your children in every way we can. We believe that by working together, we can ensure every child reaches their full potential.

A huge thank you to everyone for their incredible efforts with the World Book Day costumes! The children had a fantastic day sharing stories and visiting different classes. It was wonderful to see so much creativity and enthusiasm for reading.

We're also incredibly proud of our Key Stage 1 children, who had a fantastic visit to Waterstones this week. They represented our school values beautifully, and we received wonderful feedback from members of the public about their exceptional behaviour and manners.

A special thank you to all the parents and carers who volunteered to help on the KS1 trips this week – your support was invaluable! We are so grateful for the strong partnership we have with you all. It's truly a privilege to work together to create a positive and enriching learning environment for our children.

I hope you all have a lovely and relaxing weekend!

Mrs Robinson

I hope you had a lovely half term break. I just wanted to remind you that we (The Wellbeing in Mind Team) are back in school every Wednesday. If you have any mental health or wellbeing concerns about a child or would like to meet up to discuss a group or whole class offer please do get in touch. We usually work from the SEN office and have plenty of space for consultation sessions if required.

We will be continuing with our Wellbeing Ambassador sessions this half term, as well as attending parents evenings and delivering a worry group to some year 4 pupils. Our group offer is broad and can be bespoke to and needs that pop up within your class so please do get in touch if there is something you would like us to deliver. Please feel free to email me to arrange a consultation to discuss any concerns or requests for support you may have.
