Message from Mrs Robinson to our school community

This week some of our Key Stage 2 children had the brilliant opportunity to attend the North Yorkshire Healthy Schools event at New Earswick, and they were wonderful representatives for our school. They had a great time learning about some really important aspects of a healthy life, focusing on oral hygiene, waste recycling, and the importance of wellbeing, and came back full of enthusiasm for their new knowledge.

Please note that next week will be a four-day week for all children, as the school will be closed on Friday for a scheduled staff training day. These training days are crucial for our staff development, ensuring our teachers and support teams are continually learning and keeping up-to-date with the best educational practices to benefit all of our children.

We are looking forward to speaking with you during our upcoming parent/carers consultation week. There is still time to book your appointment to discuss your child's progress with their class teacher, so please make sure you book your slot using the Arbor app or website as soon as possible. If you are having any difficulty booking your appointment on Arbor, please don't hesitate to come to the school office, and our staff will be happy to help you get your slot confirmed.

Have a lovely weekend
Mrs Robinson

Non-Uniform Day is Coming

Thursday, October 23rd, is our exciting Non-Uniform Day. It's time to swap your school uniform for your favorite casual clothes, and all for a fantastic cause. But we need your help to make it a huge success!

Your Mission: Bring a Bottle.

To help us raise money for our upcoming Christmas Fair, we're asking every child to please bring a bottle into school on the day.

This could be:

A bottle of fizzy drink. A bottle of shampoo or bubble bath.

A bottle of juice

A bottle of wine (please make sure this is given to your teacher by an adult.)

These bottles will become prizes for one of the most popular stalls at the Christmas Fair, and every penny raised from that stall goes straight back into the school.

HOUSE POINTS

Terry	262	1669
Rowntree	304	1531
Tuke	283	1649
Craven	310	1700

Our School Target is 96%

National Figure 97%

Cuppa and a chat

We are lucky to have the schools wellbeing worker from York Council offer to come to our school to answer any questions about behaviour and mental health or offer some advice to parents and carers. The link below takes you to information about the service.

<https://www.raiseyork.co.uk/workforce/school-wellbeing-service>

It will be on Thursday 6th November here at school in the reflection room 9 until 10. We will provide tea and coffee (and hopefully a few biscuits too).

If you have any other professionals you would some advice from (eg. housing, debt, healthy eating, SEND) please let me know and I will do my best to arrange another morning with them here.
