Get ready to celebrate excellence attendance at Haxby Road Academy

We are thrilled to announce a dazzling festive incentive because excellent attendance is one of our absolute top priorities. We are passionate about ensuring every single child grabs every amazing teaching and learning opportunity available, and the best way to do that is to be here, bright and early, every day! Get ready for the **12 Days of Christmas Attendance** Initiative running from December 4th to December 19th. Every child who is present at school on these days will have a chance to win some fantastic prizes! We are drawing one daily winner at random per year group from all the children in attendance—so the odds are great.

While your child should, of course, be in school every day (the government standard is 96%, and we're currently at 94%), we encourage you to make every effort for 100% attendance during this festive period. We have even more thrilling incentives and rewards planned for the rest of the academic year. Thank you so much for your continuing support in helping your child achieve the excellence they deserve.

Let the countdown begin.
