Around school this week!

REFLECTION

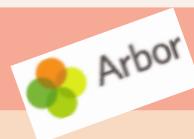

This week saw the start of a new behaviour initiative across school known as reflection. You may have heard your child talking about it, so I thought it was vital to explain further. Within school, we have been having a big push on our conduct and learning behaviours. But most importantly following the school rules and being a positive role model for others. This means that, if any school rules have been broken, your child attends reflection to discuss their behaviour and think carefully about how they could approach the situation differently next time. Here is a reminder of our school rules to emphasise the expectations we have in school, and we would like to thank you for all of your support with the implementation of this throughout the week.

School rules

**Be respectful
to everyone and
everything**

**Move calmly and quietly
around school**

**Be the best that
you can be**

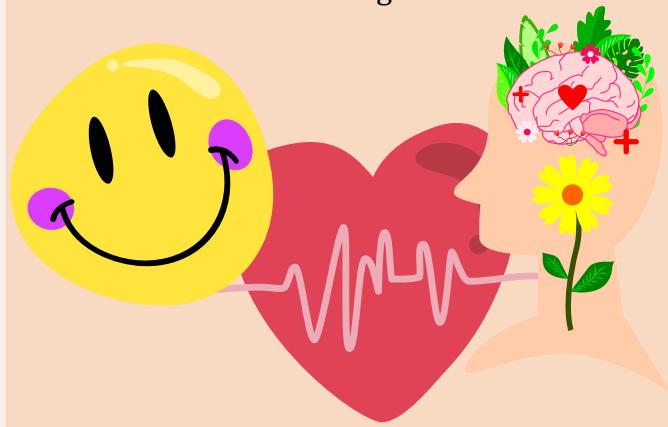

What's New

ARBOR

Before Christmas, I understand that there had been some issues with Arbor, in particular with receiving emails. I am delighted to tell you that this has now been fixed and all emails should go straight through to your inbox. In addition to this, it is important to mention that all school correspondence will be delivered via Arbor email. Thank you all for your feedback and understanding with our new systems.

THE INTRODUCTION OF HEALTH AND HAPPINESS

The start of the new year at Haxby Road always begins with our Health and Happiness topic across school. Throughout different classes, this will be embedded within learning and be our focus for the term. This includes how to look after yourself, Our bodies and bones, safety in the community and all other areas of personal health. Please encourage conversations with your child around this and hopefully they will have some fantastic things to share!

Attendance

NEW CORRESPONDENCE

Under new guidelines and with a view to improving school attendance, you may have noticed a slight change in correspondence. Each Friday you will receive an update on your child's attendance. This is an informative way to bring attendance to the forefront for your child so that we can work together to ensure that we keep our attendance above 97%. Further to that, under new guidance, if your child has been absent from school for a three day period, it may be required for the school to visit to check in.

As a final message, we understand with the weather and time of year, children do get ill. However, we urge you to give them some calpol and send them into school. We are more than happy to look after them and as always we would love to have them. If they do require medicine, just speak to our office staff who will be more than happy to help!

Attendance this week!

Jubbergate: 95.3%
Ousegate: 99.2%
Fishergate: 88.7%
WMWMG: 94.3%
Gillygate: 90.3%
Fossgate: 92.9%
Micklegate: 93.7%
Stonigate: 99.4%

Whole School
Attendance is:

94.4%

The Winning team is: Tuke

Dates for your Diary

- Number Day - February 6th - wear something mathematical and bring a coin.
- Friday 6th February - FOHR School disco day!

Thank you!

A big thank you to the Friends of Haxby Road for organising our coffee morning. It was brilliant to see such a great number of parents attending and we will be looking to host more school community events soon!
