2026

## Around school this week!

### WELCOME BACK!

For our first newsletter of 2026, I just wanted to wish you all a Happy New Year! I hope you all had a fantastic Christmas and managed to get some time to rest before another very busy term at our school! It has been fantastic to see you all returning this week with a renewed vigour and the positive attitude we love to see in our school!

### ENRICHMENT

It may have been running for a week but it is never too late to sign up to our optional enrichment programme on a Monday & Wednesday. To do so, just head over to Arbor and sign up in the clubs section or alternatively, speak to one of our office staff who will be more than happy to help you out. Here is an overview of what is on offer:

**Monday:** Challenge Zone, Spanish Cooking & PE

**Wednesday:** Orchestra, Cook School & Spanish

## What's New

### A CHANGE IN REFLECTION

This week the children of Haxby Road have been introduced to a new model of reflection for their choices and behaviours within school. This links to our philosophy of the use of zones of regulation to understand feelings and the school rules which we all need to follow to make our school an amazing environment for growth and enjoyment.
